THE BLS - SCHOOL IMMERSION PROGRAMME

We offer an Immersion Programme for primary school students (8 – 13 years old), secondary school students (11 to 17 years) as well as Sixth Form (16 -18 years). We work mainly with state schools. BLS partners with schools that are warm and welcoming and interested in international students joining as guests. We do not base our selection on Ofsted reports. **Students will be placed into year groups of equivalent age** or close - this might mean joining classes up or down by one year. Students will be split across different schools if needed. Our local schools are aware and offer a buddy system. This is usually one per student but can be 2-1 ratios in some situations. All students get an **end of course certificate**. These are presented by BLS at the end of the programme.

ACCOMMODATION

HOME STAY - Our host families are carefully and regularly inspected and of course meet the British Council standards. Host families are not just an accommodation option; but they become your **home away from home**. They are the perfect way to learn about the British way of life, food, customs and traditions. Our accommodation coordinator carefully matches each student with their host. Once your host has been chosen **you will be sent the host profile**. Hosts live within a 30-minute walk or drive to our school (no public transport needed). All host families provide 3 meals a day which include a packed lunch for the students to bring to school.

RESIDENTIAL - Springfield House is our all-year round residence for groups of juniors who are under 18. The residence is centrally located in the town’s centre, close to all amenities. The residence can cater for up to **32 students across 8 bedrooms**. BLS separates boys and girls on different floors. All student bedrooms have **private shower rooms**. All accompanying teachers or leaders will have single rooms with private bathroom. The private bathroom is usually next to the bedroom. We provide an on-site laundry service and regular room cleaning. There are free Wi-Fi zones and a TV and Netflix in the common room for students to share. There is access to a BBQ area in the communal gardens and areas to sit and socialise outside. **Breakfast, Lunch and Dinner** are provided on site by our catering team.
